Words With Love

N & T - My husband and I got married in the Pennine Suite and can truly say that we had the most amazing day from start to finish! We live in Dubai, so I called into Tankersley on the off chance when I was passing through the UK. Despite not having an appointment, the whole team were so welcoming, and Jess showed us round, talked over packages as well as our wants and needs for our special day. Jess left a lasting impression from our first meeting, and continued to be communicative, knowledgeable and patient all the way throughout planning our wedding. Once we'd booked our wedding, Jess set up multiple zoom calls to discuss our needs, some of which we hadn't even thought about! I cannot thank Jess enough! The wedding itself was more than we could have ever dreamed. In terms of F&B, well this was faultless. The food was delicious and plentiful, drinks were flowing, and our guests were not left hungry or thirsty at any point in the day. The team were there from start to finish, and we couldn't have had such an amazing day without them! There were also special touches in the bridal suite, cards from the team and follow-ups after our wedding to ensure everything went as expected. I cannot thank Jess, Luke and the rest of the team enough. They truly made our dreams come true, and so many of our guests have mentioned that it's one of the best weddings they've been to, and that is all thanks to the team at Tankersley. If you're considering them for your wedding, without a doubt, do it!!

H & J - We had our wedding here and it was the best experience from start to finish! We had spent 2 years planning with the wedding coordinator Jess and right from the start she has been amazing at putting us to ease throughout the whole thing making special adjustments and a few extra walk rounds. On the day of our wedding, we were also more than looked after by Abi, Hollie & Luke and the rest of the team... The whole day ran so smoothly and we were put right at ease from the night before as we bumped into Luke as he was starting to prepare our evening room and always offering a big smile, Abi we met in the morning and right from the start she was so lovely and was more than happy to offer words of encouragement and a chat when things started to feel overwhelming, Hollie was also amazing always present and ready to be on hand to help with organising our guests and helping with anything they needed. I would highly recommend this venue to any couple planning their big day as it a team of people that really love their jobs and will fit right into your day as part of your family thank you to everyone at Tankersley Manor it will be a day we will never forget!

J & J - We had our wedding in the Pennine Suite on Saturday 8th June. Jess was our wedding co-ordinator from the initial booking up until the wedding itself and we cannot thank her enough, she explained everything clearly and answered any questions that we had super quickly. She made sure everything we had asked for was Abigail and she was perfect, we could not have wished for anyone better. She communicated between me and the groom to make sure everything ran as it should. She kept me up to date throughout the day, we even had to have an ambulance call out for a family member and it was handled brilliantly. From the ceremony through to the last dance it was everything we wished for and more. All the wedding team to the reception and bar staff go above and beyond, and we cannot fault a single thing. If you're thinking about a wedding at Tankersley Manor, we highly recommend!
